

# WHAT IS YOUR BAGGAGE LIKE?

Make sure it is:

## Properly positioned

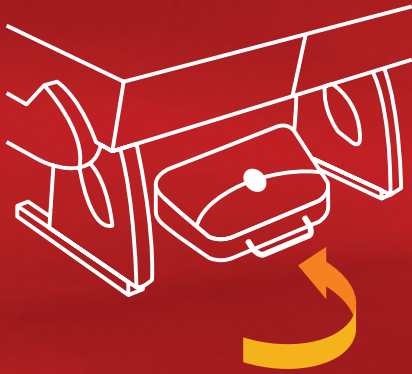

Leaving any baggage in front of the train access doors and along the corridors is strictly forbidden

## Easy to identify

Make sure it has an identity tag

**Small**  
Beneath  
your seat

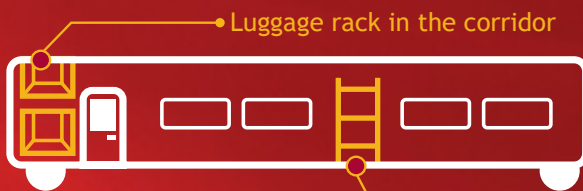

**Medium**  
Overhead  
racks

Height: 35 cm

Width: 42 cm

**Big**  
Luggage rack

Luggage rack  
in the compartment

There is limited availability in the luggage racks. We recommended you travel with medium-sized baggage.

## XXL Baggage?

PLEASE NOTE::

For journeys in SMART ambience only, no baggage measuring over 75x53x30 cm is allowed

Italo has a **Baggage Service** which allows you to send your baggage free of hassle. For further information go to the **Servizi Italo Go** section on [italotreno.it](http://italotreno.it)

## Jackets and coats

Please use the coat  
hook provided

## Strollers, pushchairs and collapsible bicycles

They must first be collapsed

## Luggage rack with locks

Safety for any baggage stored  
in carriages which are farther  
away from you
